IMPORTANT INFORMATION

Investment in the units of open-ended investment funds is generally a medium to long-term investment. The value of units may go down as well as up and investors may get back less cash than they originally invested. Past performance is not necessarily a guide to the future. Fluctuations or movements in exchange rates may cause the value of underlying international investments to go up or down. The units of Cannon Deposit Plus Fund are traded at ruling prices and are priced weekly using the forward pricing method. A schedule of fees and charges and maximum commissions is available on request from Cannon Asset Management Limited, The Management Company. Cannon Deposit Plus is a collective investment scheme, which invests in other collective investment schemes, which levy their own charges, together with direct investment in investment grade bonds. Commission and incentives may be paid and if so, are included in the overall costs. Figures quoted are from Cannon Asset Management Limited for a lump sum investment using sell-sell prices, which exclude initial fees. Cannon Capital Advisors Limited funds and do not distribute income. Performance is quoted in sterling terms. Please refer to the prospectus of this scheme for more details, a copy of which is available on request from the Management Company, the registered office of which is Kingsway House, Havilland Street, St Peter Port, Guernsey, GY1 3FN. * = Source Bloomberg, Cannon Asset Management Limited
