#### FUND OBJECTIVES

The aim of the Cannon Global Greats Fund is to provide investors with long-term capital growth through exposure to a portfolio of global equities which have the potential to generate returns ahead of global equity markets.

The Cannon Global Greats Fund focuses on high quality companies which can be acquired at fair to attractive prices. These businesses typically have a competitive advantage which insulate them from competition and allow for high future growth. The Fund's emphasis on quality is combined with the requirement for a margin of safety in the price.

The Fund is Dollar denominated and it consists of a basket of global equities that are not hedged back into Dollar.
